'Enjoyment, Achievement and Learning for life...'

Headteacher: Val Sian

Deputy Headteacher: Chris Wallis

Chair of the Governing Body: Andy Wilcock

5.1.21

To our lovely Walkley Children,

Happy New Year everyone. What a disappointing and sad start to the New Year that we cannot be with each other again, especially as we have all been very excited about moving into the new building together. It seems so unfair, but remember that by doing as we are asked, we are playing a very important role in helping the NHS. Your school adults are very busy getting the new school ready for your return and it will take three days to unpack so many items.

When we have finished getting the school finally organised on Friday, we will then prepare remote learning for you to access on your Class Blogs like last time. We loved it when you kept in contact by email or using the google form. If you need packs of work to be sent to you so that you can continue your learning, we are very happy to support you. It is very important that you access your home learning as it became apparent very quickly on returning to school in September, those children who had completed all their home learning. It is time to be a Whizzy Worker every day and just do your very best. Nobody can ask for anything more than your best.

It is also important to be a Behaviour Superstar as well as a Golden Citizen to help all those people who live in your house as this is challenging for everyone and this positivity helps to keep everyone upbeat.

We have been in Lockdown before so this time we know how it feels and what happens. You now know that our school is now closed for most children and we are not going to see each other for a while. We will miss your smiling faces, your endless laughter and chatter and the way that you light up our lives. We are still your Walkley family and we will be thinking about you every single day, wondering how you are getting on and keeping our precious memories of our time with you. We will send you big hugs all the time, in the hope that you can still feel how much we love and care for you.

Keep positive, knowing that you will return to school again.

We will see you again as soon as we are allowed to. We promise.

Huge hugs.

Mrs. Sian and the Walkley Team

Val Sian
