'Enjoyment, Achievement, and Learning for life...'

Dear Parents / Carers

Thursday 9th July 2020

IMPORTANT - Wider Opening of school for all pupils from 2nd September 2020

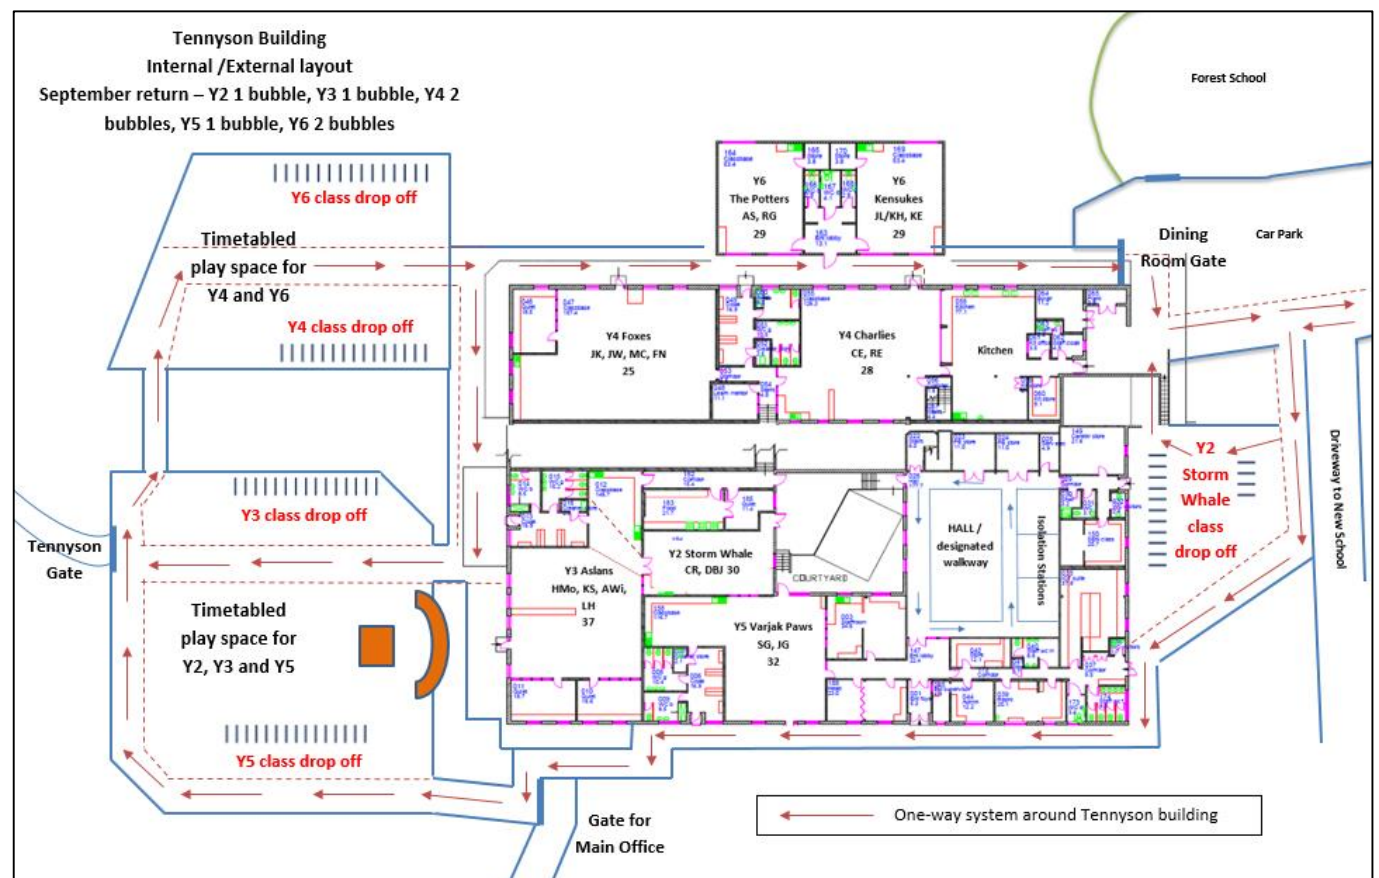

We are delighted to be able to welcome back all our pupils from 2nd September 2020. From Nursery to Y6, all pupils will be placed into a class (social bubble). In-line with government guidance and to continue to help mitigate the risks of growing numbers of pupils in and around school and the mixing of larger numbers of parents dropping off and picking up their children, we have structured the school day to accommodate 15 groups of children across school working in accordance with the additional health and safety measures that are required under the current guidance for wider opening.

Information for all returning pupils can be found over the next few pages. Your child's/children's class information is available overleaf as well as guidance explaining the one-way system to be implemented around Tennyson building to reduce potential contact at hotspots. To help with this, where possible we recommend you continue to limit adults to one per trip to help reduce the number of people on site at any one time.

We appreciate that some of you will have to move between buildings to access your different drop off/pick up stations and so have created contraflow systems to help with the movement to different gates. Your understanding is much appreciated.

- From Wednesday 2nd September, you will have a designated drop off time and drop off place for your child/children. These areas are demarcated on the school playground with 2m spaces similar to those adopted by supermarkets etc to help maintain social distancing. *This is the example for Y1 giants class.*
- In the morning, when you arrive at school, please wait on the lines, children can stand on or between the lines. Here you will be greeted by staff and your children will be taken into school.
- At the designated pick up time, please use the 2m blue lines to wait for your child being released to you. There is not space for each parent to occupy a line each, so we ask that you use common sense to socially distance as much as possible within the space provided.
- Times have been staggered for different classes of pupils to reduce the number of people on site at any one time. **Please be sure to arrive at your designated drop off and pick up times.**
- Please note, children are no longer allowed through Main Reception except with prior agreement from school. Staff will be on hand throughout the week to greet you on your first day to show you where to go.
