

Foundation 2

My transition book

Hello!

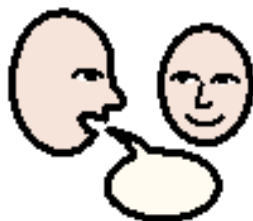

This is a book to tell you about your new school.

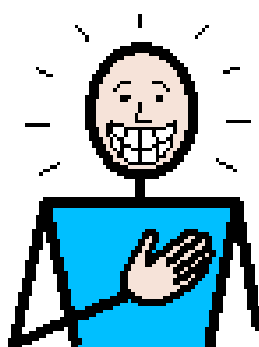

It has lots of pictures in it.

You can share it with your grown-ups.

We are very excited to meet you.

Miss Hill will be your new teacher.

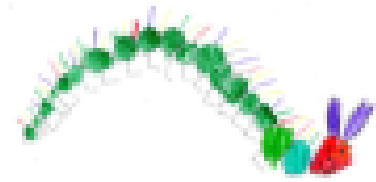

Mrs Wallis and Mrs Nellist will be your teaching assistants.

You will meet lots of other adults who work at school too.

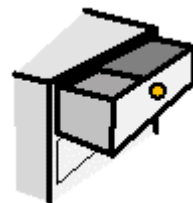

Your class is called 'Caterpillar Class'.

You will have your own peg to hang your coat on.

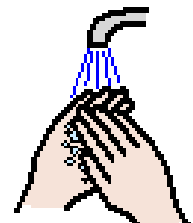

You will have a drawer too.

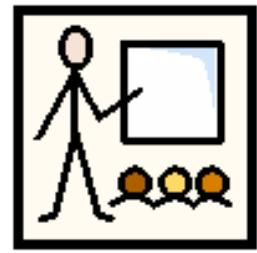

These are the toilets.

This is where we wash our hands.

This is the classroom.

There are lots of places to learn and play inside.

There will be a book corner.

A role play corner where you can act and dress up.

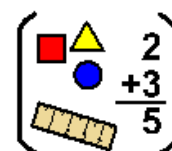

A creative area to make and do.

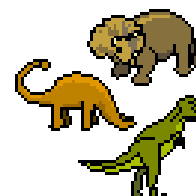

A writing area.

A maths area.

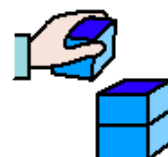

A small world area.

A painting easel.

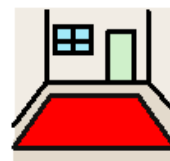

A building area.

Sand and water play.

We will sit on the carpet for lessons.

Sometimes we work in groups at the table.

We have lots of time to learn through play.

There are lots of things to do outside.

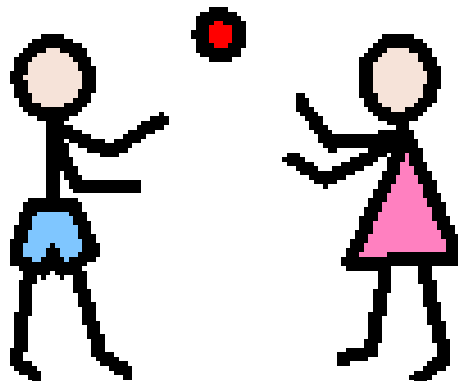

We have lunch at school.

You can choose a meal from school or bring a packed lunch from home.

After lunch we play outside.

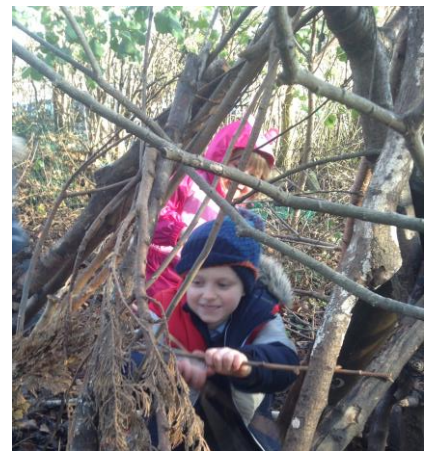

We have PE lessons every week.

We learn lots of skills.

Sometimes we go to our secret garden to learn.

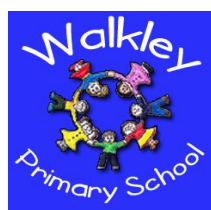

You will meet lots of new friends.

It is going to be so much fun.

We can't wait for you to join our
Walkley family!

See you soon!
