Dear Parents/ Carers,

Wider Reopening - Going bubblicious! (Please read the FAQ sent yesterday for further information)

We are very excited that we will be reuniting with more of our Walkley family as some of our Reception, Yr1 and Yr6 pupils return to us. Thank you for all your support over Lockdown. Here is some key information for you and there will be more to come over the next few days. Please be aware that we are very close to capacity in terms of spaces and staffing, and there will inevitably be some disappointment. Your family should fit into one of the following categories:

Currently attending Keyworker children in F2, Y1 and Y6 with siblings

Your children are already established in their social 'family' bubble and they will remain in the Keyworker bubble to avoid cross contamination. They will have the same staff every day from Wednesday 17th June. If your siblings will be or have been attending school together they must remain together within a bubble in school and will not return to their year group bubbles (unless both of your children are in the same year group). They will remain part of the childcare provision within school.

Currently attending Keyworker children in F2, Y1 and Y6 without siblings

Your child will return to a class bubble and remain in this bubble every day from Weds 17th June. Information about the timings for class bubbles will be circulated in the coming days.

Currently attending Keyworker children in Nursery, Y2, Y3, Y4 or Y5

Your child/children are already established in their social 'family' bubble and they will remain in the Keyworker bubble. They will have the same staff every day from Wednesday 17th June.

Currently not attending Keyworker children returning to school in F2, Y1 and Y6 with siblings

If you are wanting your siblings to return to school, they must be placed together within a social bubble. Limited places are available for key worker pupils, so you should contact enquiries@walkley.sheffield.sch.uk if you think this applies to you and you require a place for all your children.

Currently not attending Keyworker children in Nursery, Y2, Y3, Y4 and Y5

If you are wanting your child/children to return to school, they must be placed within a social bubble. Limited places are available for key worker pupils, so you should contact enquiries@walkley.sheffield.sch.uk if you think this applies to you and you require a place for your child/children.

Children from non-key worker families, returning to school in F2, Y1 and Y6 without siblings

As these children have not yet been in school, they will be placed in a class bubble. Reception and Year 1 will be based in Burnaby Building and Year 6 in their classroom in Tennyson. Information about the timings for class bubbles will be circulated in the coming days.

Children from non-key worker families, returning to school in F2, Y1 or Y6 with siblings in other returning year groups (F2, Y1 or Y6)

These children will be attending school together and must remain within a bubble in school and will not return to their year group bubbles (unless both your children are in the same year group). They will become part of the childcare provision within school. Information about the timings for these bubbles will be circulated in the coming days.

Children from non-key worker families, returning to school in F2, Y1 or Y6 with siblings in other year groups (Nursery, Y2, Y3, Y4 or Y5)

Only children in F2, Y1 or Y6 can return. Unfortunately, currently we are not accepting children from other year groups.

What happens next?

Over the next couple of days you will receive information:-

- Which bubble your child will be in.
- The arrival and departure time for your child's bubble.
- Staffing arrangements for your child/children's bubble.
- Lunch arrangements
- A video explaining how the school will look and operate on Weds 17th June to share with your child/ren.

Kind regards

Val Sian and the Walkley Team
