'Enjoyment, Achievement, and Learning for life...'

Dear Parents

I'm aware this is an unusual and possibly stressful time for your child and for yourselves. Children with additional needs may be finding this situation particularly difficult as routines are different and it can be difficult to explain the reasons for these changes.

I am writing to sign post you to some NHS resources which you may find helpful. You can find them on the school website [here](#). These include strategies for supporting your child with SEND at home. This also includes links to social stories and ways to talk to your child about the current situation and the change in routine as well as to support yourselves through this difficult time. I hope this is helpful.

If you are needing further specific advice regarding your child's need and their SEND I am available in school on a Wednesday 9-11 on the number above. I am also replying to emails through the usual school email address: enquiries@walkley.sheffield.sch.uk, although this may take a little longer than usual.

I am here to offer my support to you and thank you for supporting your children at home whilst they cannot be at school at this very challenging time for all of us. Thank you for your work and understanding in this situation.

I hope to see you all soon once this is over.

Kind Regards

Mrs Homer
