Coronavirus update – Key worker Information

Dear Parents and Carers

It is very important that ALL parents read the entirety of the two attachments as they contain government guidance that will apply to all children, whether they are eligible to attend school next week or not.

The government guidance states that:

1. If it is at all possible for children to be at home, then they should be.
2. If a child needs specialist support, is vulnerable or has a parent who is a critical worker, then educational provision will be available for them.
3. Parents should not rely for childcare upon those who are advised to be in the stringent social distancing category such as grandparents, friends, or family members with underlying conditions.
4. Parents should also do everything they can to ensure children are not mixing socially in a way which can continue to spread the virus. They should observe the same social distancing principles as adults.

Apologies for the late notice with this and thank you again for your understanding and support.

Yours Faithfully

Walkley Primary School Safeguarding Team
