Coronavirus update – Wednesday 18th March 2020

Dear Parent / Carer

The latest guidance from Prime Minister Boris Johnson is that **schools in the UK will close on Friday 20th March** to prevent the further spread of coronavirus. It is indicated that schools will close from Friday except for looking after the children of keyworkers and vulnerable children. We expect more information on this in the coming days and will keep you informed through the usual channels.

We appreciate your patience and cooperation at this challenging time.

People in household isolation should avoid leaving the house. Pupils who have been absent from school with the symptoms of Covid-19 should continue to self isolate for 14 days along with their siblings.

Symptoms of Covid-19 include:

- A new continuous cough and/or
- High temperature

Yours Faithfully
