KS2 Code Club

Dear parents/carers,

We are very pleased to announce the return of *Code Club* following the half-term break. In *Code Club*, children will learn how to create games and animations by developing computer programming skills.

Beginning on Thursday 27th February and running until Thursday 26th March (inclusive), *Code Club* will be a weekly opportunity for children to learn how to manipulate computer code in order to make their own computer games.

The club will run from 3:15-4:20pm every Thursday. The club is limited to 20 places. To secure a place, please provide permission for your child to take part via SIMS Pay, our online payment system: <https://www.sims-pay.co.uk/Home> and select the method which indicates how your child will be collected/make their way home.

For those collecting children at the end of the club, please come to the Main Reception/Tennyson Hall.

Many thanks,

C. Earl
