'Enjoyment, Achievement and Learning for life...'

14th February 2020

Dear Parents/Carers,

We are writing to let you know about a very exciting project that will be taking place next term with the Y3 Aslans and Charlies classes. Paperfinch Theatre, a locally based theatre company, will be delivering 5, two hour, weekly creative workshops with the Y3 pupils starting on the 24th February.

Paperfinch Theatre create immersive productions for children and families with puzzles, games, puppetry and live music. They aim to empower their audience to become a meaningful part of these stories, designing rich playful worlds for them to step inside and explore.

The project is funded by a range of organisations including Sheffield Theatres, Sheffield City Council, the Police Crimes Commission and the Migration Matters Festival.

The project title is 'Tales From The Playground' and its aim is to bring the creative ideas of our Y3 pupils to life in pieces of theatre which will contribute towards a future performance. The project will be hosting more workshops in Spring Half Term at the Zest Centre, and throughout April and May. All the workshops will feed into a performance which will be made by Paperfinch Theatre and be included as part of Sheffield's Migration Matters Festival, which is the UK's largest refugee week festival.

Charlies class will have their first workshop on the afternoon of 24th February and Aslans class on the afternoon 25th February. We are really looking forward to taking part in this project.

Yours faithfully,

Sally Travis and Jenna Leverton
