Little Big Maths Meeting for parents

Dear Parent/Carer,

As you may already be aware, at Walkley staff and pupils alike are very enthusiastic and thoroughly enjoy the Big Maths programme, designed to make every child confident with numbers.

To demonstrate how this works in more detail, we would like to invite you to a Big Maths Workshop on **Tuesday 8th October 2019, at 2.30 p.m** (to finish in time for the end of school) or later on **Tuesday 8th October 2019 at 5.15 p.m**. These two sessions will be identical in content and will give a flavour of the Big Maths programme as well as an overview of our approaches to teaching maths across school. There will also be the chance to ask questions about how maths is delivered at Walkley.

Note: this is a repeat of the Big Maths workshops run in October last year (which were very successful with positive feedback from parents who attended) so, if you attended one of those, you will not need to come to this.

Please indicate below if you are able to attend and return the slip to your class teacher.

The meeting will take place in Burnaby Hall.

We thank you for your continued support,

Mrs Prochazka Lawton

KS1 Leader

Please return to your class teacher:
