'Enjoyment, Achievement, and Learning for life...'

6th September 2019

Dear Parent / Carer

We hope your child has enjoyed learning to play the violin in school this year!

Would your child like to continue learning the violin? This is possible in school!

Did you know that learning a musical instrument can help children to be happier, more successful, confident and self-assured? Our school will be offering 'Pathways' lessons with Heather Burge from Sheffield Music Hub, for those children who wish to continue learning the instrument this year.

We have a limited number of places available and these will be allocated on a first come, first served basis. Children will learn in groups because we believe that this is the best way to start out learning a new instrument. The cost of lessons will be £10 per half term, PAYABLE IN ADVANCE, that's less than £2 per lesson! If you will find it difficult to pay, please contact the office. Sheffield Music Hub will deliver 33 lessons in a year (normally 11 per term), there are 39 school weeks so there will not always be a lesson every week. Lessons are due to commence on Thursday 19th September.

If you take up this offer your child will be provided with an instrument to take home for practice. You will need to take responsibility for the safety of the instrument.

If you would like your child to continue to learn the violin, please fill in the form below and return to the office by Friday 13th September.

If your child is allocated a place you will receive confirmation from school and be able to make your payment for Violin lessons on SIMS Pay. Please do not pay in advance of confirmation.

Should you decide that you no longer wish to carry on with lessons then please provide us with 4 weeks notice.

Thank you for your continued support.

Mr Wallis
