Relating to Planning Application:

Proposed Redevelopment of Walkley Primary School

Dear Parent,

Public Consultation Event Taking Place On: Monday 8th July 2019 15:30-19:00

Venue: Walkley Primary School, Burnaby Crescent, Sheffield, S6 2RZ

We are writing to advise you that Interserve Construction Ltd, working in partnership with the Education, Skills & Funding Agency, are in the process of preparing a planning application in relation to the redevelopment of Walkley Primary School.

The redevelopment will comprise the erection of a new 2 storey main school building positioned on the existing redundant MUGA to the immediate east of the existing school building. Once occupied, the existing school building will be demolished and the area on which it stood will be soft landscaped. The existing school will continue to operate as usual during construction and the construction area itself carefully hoarded to ensure the sites operate separately. New soft and hard play areas will be provided around the new building. No pupil or staff expansion is planned as part of this redevelopment and the catchment area for the school is unchanged.

The proposals have evolved, working with Sheffield City Council and their Officers, the school itself, the Education, Skills & Funding Agency and a wide range of consultant experts to bring forward the proposed scheme. This event is being held for parents and residents who live close to the site and as you have a child who attends the school we would like to invite you to this event.

The event will be held on **Monday 8th July** at Walkley Primary School, Burnaby Crescent, Sheffield, S6 2RZ. You are welcome to drop into the event at any time between **3:30pm and 7pm**. The Project Team will be on hand to answer any questions you may have regarding the proposed redevelopment and to provide further information about Interserve Construction Ltd. There will also be boards displaying images of the proposal. We would really appreciate it if you could provide your feedback to us at the event by completing one of our questionnaires on the day.

If for any reason you are unable to attend this event, you will be able to view the proposals on the councils online planning records tool, once the planning application has been submitted.

We very much hope you can get involved in our consultation event and we look forward to meeting you. In the meantime, if you require any further information about the event, please do not hesitate to contact us, using the details below.

Yours Faithfully,
Laura Meyer
