IMPORTANT INFORMATION REGARDING CLASS PHOTOGRAPHS
Thank you for your feedback

Dear Parent/Carer,

It has come to our attention that there are several issues with the quality of the photographs that were taken in school last week. In light of this, we have taken the decision to cancel the order across school and secure a different photographer to come into school before the summer break to take the class photos. It is unlikely that there will be enough time to process the orders for the new photographs before the summer break, so the photographs will be made available in the Autumn term. We are aware this is not a solution for Year 6, so we are looking to work within school to find an alternative. We will confirm this soon.

If you have made a payment for photographs, would you please collect your refunded payment from the school office.

We appreciate your co-operation and continued support.

Yours Faithfully,

Mr Wallis

Deputy Headteacher
