'Enjoyment, Achievement, and Learning for life...'

March 2019

Dear Parents/Carers,

As always, we are eager to involve families in our activities at Nursery.

This year we have decided to hold an Easter themed sponsored event to support The Elmers chosen charity 'Bluebell Wood'. We are keen to involve our children in charitable tasks to help teach them about the importance of helping others.

Next half term we would like to encourage our children to take part in a sponsored obstacle course. This will include a range of fun, physical activities e.g. running in and out of cones, bunny hops in hoops & hunting for eggs. Our obstacle course activities will take place during the week beginning **15th April**.

We will be completing the activities once per day to ensure all children can access the activities and hopefully have the opportunity to raise some money for such a worthwhile charity.

Please find attached a sponsorship form for your child to raise any funds for our sponsored event.

Please return any sponsorship money to the Elmer staff the week after our 'Obstacle Course' has taken place.

We appreciate your support with this and look forward to raising some funds for such an important local charity.

Yours sincerely,

C.English & L.Waller

Nursery Teachers
