KS2 Archaeology Club

Dear parents/carers,

Beginning on Monday 14th January and running until Monday 25th March, *Archaeology Club* will be a weekly opportunity for KS2 children to learn how archaeologists and historians find out about the past led by actual historians and archaeologists! The intended programme includes:

- Practical excavation in test pit trays as an introduction to archaeology and what we can find out about the past;
- Exploration of human remains and what they can tell us about health and how people lived;
- Looking at animal bones to find out what they tell us about how people ate and gathered food;
- Using maps to see how a particular area developed over time.

The club will run from 3:15-4:30pm every Monday. If your child would like to attend, then please return the slip below to Mr Earl (via your class teacher) by Wednesday 19th December. Please be aware that there are limited spaces, so for the best chance of getting a place, try to return your slip quickly!

We have been very fortunate to secure additional funding that allows us to provide the club with working archaeologists, who will lead the club with their specialised knowledge and expertise. However, there will be a small charge for this club to cover the costs of the resources and equipment. This comes to **just £3 per session**. This is payable as a total of £30.00 for the 10-week block in cash or via SIMs Agora.

At the end of the club at 4:30pm, children can be collected from the Main Reception/Tennyson Hall.

Many thanks,
C. Earl
