KS2 Code Club

Dear parents/carers,

We are very pleased to announce the return of *Code Club* following the Christmas break. As well as welcoming back those who took part in the club last year, we also have spaces for new starters from KS2 classes.

Beginning on Tuesday 15th January and running until Tuesday 26th March, *Code Club* will be a weekly opportunity for children to learn how to manipulate computer code in order to make their own computer games.

The club will run from 3:15-4:20pm every Tuesday. If your child would like to attend, then please return the slip below to the school office (via your class teacher) by Wednesday 19th December. Please be aware that there are limited spaces, so for the best chance of getting a place, try to return your slip quickly!

At the end of the club at 4:20pm, children can be collected from the Main Reception/Tennyson Hall.

Many thanks,

C. Earl
