'Enjoyment, Achievement and Learning for life...'

14th September 2018

Dear Parents, Carers

Y6 Science Topic - Have We Always Looked Like This?

The Y6 science topic this term is about Evolution and Inheritance. To make the learning relevant and interesting for pupils we have asked your child to bring in photos of relatives. We will be looking at characteristics that are passed on through families so photos where the face is clear of mums, dads, grandmas or grandads are ideal. Please can your child bring in the photo or photos (one is sufficient but your child is welcome to bring in more than one) in a named envelope and hand it to Mr Rigler, Miss Whitham or Miss Travis by Friday 21st September. We will make sure the photos are kept safe but please do not send in any photos that are of significant sentimental value.

Thank you for your support,

Miss Travis
