Code Club

Dear parents/carers,

Following the half-term break, *Code Club* is being offered to those children who missed out on the club in Summer 1.

Beginning on Tuesday 5th June and running until Tuesday 10th July, *Code Club* will be a weekly opportunity for children to learn how to manipulate computer code in order to make their own computer games.

The club will run from 3:15-4:20pm every Tuesday, except for on Tuesday 19th June due to Parents' Evening. If your child would still like to attend, then please return the slip below to Mr Earl (via your class teacher) by Friday 25th May.

At the end of the club at 4:20pm, children can be collected from the Main Reception/Tennyson Hall.

Many thanks,

C. Earl
