Code Club

Dear parents/carers,

Code Club will continue after the Easter break. As well as welcoming back those who wish to carry on with the club, we also have spaces for new starters.

Beginning on Tuesday 17th April and running until Tuesday 22nd May, *Code Club* will be a weekly opportunity for children to learn how to manipulate computer code in order to make their own computer games.

The club will run from 3:15-4:20pm every Tuesday. If your child would like to attend, then please return the slip below to Mr Earl (via your class teacher) by Wednesday 28th March. Please be aware that there are limited spaces, so for the best chance of getting a place, try to return your slip quickly!

Children can be collected from the Main Reception/Tennyson Hall at 4.20pm

Many thanks,

C. Earl
